

PRODUCT SPECIFICATION

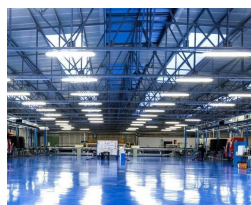

Features & Benefits

- Hidden wiring design
- Uniform shadow-free lighting
- High-strength impact-resistant housing
- Corrosion-resistant material application
- Integrated heat dissipation structure
- Easy split-type installation
- Independent waterproof plug design at the end
- 3 or 5 years warranty

Applications

Factory
ColdStorage
Ports
Facades
Pools

Tunnels
Greenhouses
Parking Lot
Warehouse
Workshop

Specification

Product	LED Water-proof Light	Ordering Code	Dimension	Watt	Lumens
CRI	>80	PWP-60ML	642x73x77mm	12W	1200lm
IP Rating	IP65	PWP-120ML	1251x73x77mm	24W	2400lm
Beam Angle	120°	PWP-150ML	1551x73x77mm	29W	2900lm
Voltage	200-240V 50/60Hz	PWP-60ML-2	642x118x77mm	24W	2400lm
Efficacy	100 lm/w	PWP-120ML-2	1251x118x77mm	50W	5000lm
Materials	Extruded pc based and opal/transparent pc diffuser	PWP-150ML-2	1551x118x77mm	60W	6000lm
